

**Level(s) User Manual 3: Indicator 2.4 – Design for deconstruction user manual:  
introductory briefing, instructions and guidance (version 1.1 or 2.0)**

*Note that version 2.0 is the latest version for this indicator and that if translated files are for version 1.1, it is because updated translations are not yet available. This will be rectified as soon as possible.*

Please find the available translations under the links below:

[DE](#) – Deutsch (version 1.1 only)

[ES](#) – Español (version 2.0)

[FR](#) – Français (version 1.1 only)

[IT](#) – Italiano (version 1.1 only)

[PL](#) – Polski (version 2.0)
